👉 Important 2022 Season Information 👈

Hello, Members. Welcome to our 2022 season! We hope everyone is staying safe & well.

PLEASE NOTE – When signing up on tee sheets or for a special event, if you cancel, please be considerate to allow ample time for rearrange; last minute & group cancellations have become problematic; courses have been expressing concerns & we may not be welcomed back. We are working on a policy to address this issue & will discuss at the Spring Meeting (Sat May 14 at Hickory Creek). Your support is appreciated.

If you have any questions, feel free to contact any Executive Board or Committee Member.

We look forward to another great season!

Kind regards ~

Your Executive Board & Committee Members

	Kim Kuhns	(734) 845-6084

GENERAL INFORMATION

Accommodations for 9-Hole Players:

Since the 2013 season (due to the lack of participation) tournaments, trophies, awards & prizes for the 9-hole group have been suspended. NO NEW 9-hole members are being accepted at this time.

Members who wish to play only (9) holes may sign up on the same tee sheet on the website as 18-hole players. 9-hole players can pay for (9) holes on most courses, play in a group with 18-hole players, then drop out at the turn. If several members wish to play only (9) holes, please sign up at the end of the tee sheet & notify the 18-Hole Chair (no 9-hole awards or score tracking).

* * *

1. **All regular tournaments** will be considered official & prizes awarded with a minimum of (12) players.
2. **All players must be present & ready to golf before arriving at the first tee. It is imperative you arrive at the course at least (30) minutes prior to your assigned tee time.** If, for any reason you arrive late, after paying your fees in the Pro Shop, you may join your group if they are still on the first tee (however, you will NOT be eligible for any awards or skins).
3. **The score for each hole** shall be kept by each player, noting another's score.

4. **Net Double Bogey.** USGA rules govern play EXCEPT where local rules are posted & approved for AAWGA play. Sink all putts UNLESS the Executive Board has deemed max hole score (net double bogey) to be used on that date. Net double bogey may be specified for certain courses at the discretion of the Executive Board. When playing a course that has been max hole score designated, stop playing any hole (pick up your ball) after your max score for the hole (net double bogey) has been reached.

5. **KEEP THE FIELD MOVING.** Allow faster players through. **Look no longer than (3) minutes for a lost ball.** LIMIT practice putting during the round. If your group falls behind, split up until you can catch up. Players who refuse to do so may, in the future, be asked to sign up for later tee times.

6. **First scheduled tee-time** is noted for each course in this book.

7. **Only suitable golf attire should be worn.** This means sleeveless shirts with collars, collarless shirts with sleeves (straps must be at least [2] inches wide & no stomach exposed), no denim (shirts, skirts, shorts or pants), no short shorts (shorts, skorts & skirts must cover the majority of the thigh), no tank tops or t-shirts, no overalls, no cut-offs, no gym shorts. Shoes must be worn at all times while on the course – tennis shoes or golf shoes with non-metal spikes. Players who show up in inappropriate attire will be asked to change clothes or leave.

8. **Limit play to specified round.** For tournament purposes, you must limit your play to your specified round then record your scores on the tally sheets without delay. If you wish to play more holes, you must make this arrangement with the golf course.

9. **New Membership Applications.** Direct prospective member to aawga.org for membership requirements & how to join.
10. **Annual Dues:**
- ✓ Active\$30.00 (also new members)
\$30.00 per year renewal
 - ✓\$15.00 penalty after February 15th
Member considered resigned if unpaid by March 1st
 - ✓ Sustaining\$10.00 per year
 - ✓ HonoraryNone

No new members accepted after July 1

11. **Play will occur in threesomes or foursomes**, depending on host course preference.
12. **Guests.** Members may invite a total of (3) guests per golf season on any play date **EXCEPT** for Cile Cissel tournament dates, special events & private clubs designated on the schedule. A guest may play (2) times per season with member sponsor. Guest pays regular green fees & is not eligible to compete for prizes. Member must sign (2) tee times in her name then email 18-Hole Chair with guest name.
13. **Rain Outs.** In the event of inclement weather on the day of an event, call the course or the event Starter who will determine if the event is to be cancelled. If tee times are set for a course & we are rained out that date, the tee times will be considered unchanged for the course when a date is rescheduled, unless you are otherwise notified by phone or email.

14. **Canceling a Prepaid Event.** If a registered participant needs to cancel for a PREPAID event, they may do so by contacting Karen Strock or Kathy Stellema as soon as possible. If cancellation is past the published refund date on the event notice or the participant does not show up for the event, all money paid will be forfeited.
15. **Drop Areas.** Sometimes it is difficult to determine if there is a designated drop area (on certain courses) on the other side of a hazard. When you sign in, the Starter will inform you of any drop area(s) that may be used for play – **Disregard all other drop areas designated by the course.** In some instances, where there is a long carry from the tee, it may be only the higher handicap members who will be allowed to drop on the other side of the hazard without taking a shot & losing a ball, counting it as shot #3. Whenever this ruling comes into play, it will be included in the player information email for that day's course & available from the Starter.
16. **Skins (optional).** \$2 skins (by flight) are available on regular play dates (subject to a sufficient number of golfers in each flight sign up). The Starter will collect the money before you tee off. Remember to sign the SKINS sheet.

* * *

PRIZES

For all scheduled regular tournament rounds, the following will be awarded:

18-Hole Players:

Classes A, B, C & D: Low Gross 1 Ball

Classes A, B, C & D: Low Net 1 Ball

Classes: You must know your current index & calculate your handicap prior to arriving at the course. **Classes are determined by index, not handicap.** A player's handicap is only used on the Master Score Sheet to determine net score.

The sign-in sheet will indicate handicap index ranges for that day; they will not be changed after the round is played. The starting handicaps are:

Three Classes:

Class A scratch through 18.9

Class B 19.0 through 25.9

Class C 26.0 through 40.4

Four Classes:

Class A scratch through 17.9

Class B 18.0 through 23.9

Class C 24.0 through 27.9

Class D 28.0 through 40.4

If a play date has (50) or less golfers signed up, the three class structure will be used; if (51) & over, the four class structure will be used.

* * *

TROPHIES

CLARA CUSHING TROPHY – 18–hole players' annual award for the best (4) low gross scores from regular tournaments

1st place is awarded the traveling trophy plus a gift card; 2nd through 5th place receive gift cards.

BARBARA ROTVIG TROPHY – 18–hole players' annual award for the best (4) low net scores from regular tournaments

1st place is awarded the traveling trophy plus a gift card; 2nd through 5th place receive gift cards.

* * *

CILE CISSEL NET CHAMPIONSHIP – 18–hole players.

Two rounds of individual stroke play with full handicap; awards for top (5) players.

The courses to be played in **2022** are:

Friday, July 29 Gateway Golf Course

Monday, August 1 Washtenaw Golf Club

* * *

RUTH SPANGENBERG TROPHY – Awards for low gross & low net by flight. Traveling trophies are awarded for overall low gross & low net.

The **2022** two–day tournament will be played **Monday, July 11 & Tuesday, July 12** at **Hickory Creek Golf Course**.

* * *

TIE BREAKERS FOR PRIZES & TOURNAMENTS

All events will use the same tie breaking method. It is the recommended USGA method & can be accessed on the USGA website.

In the case of ties, the winner of ALL competitions conducted by AAWGA will be determined by using the best score for the last (9) holes (gross for gross events & net for net events). If it is a multiple day competition, it is the last (9) holes of the last day. If the tying players have the same score (gross or net) for the last (9) holes, then the last (6) holes are used, then the last (3) holes, & finally the 18th hole. If there is still a tie, then the holes are used retrogressively until a winner is determined.

* * *

Note: Trophies & prizes are suspended for 9-hole members until there are a significant number of players who want to golf in the 9-hole group & an official 9-hole group is re-established. This was re-evaluated at the end of the 2015 season.

* * *

PRESIDENT'S AWARDS

1. Score based upon points earned during the season (e.g. if there are [15] golfers playing in a given class then, after ranking the entire group, points will be awarded as follows: [15] for 1st place on down to [1] point for last place, for each play date). Thus, golfers who play more & play better than average earn more.
2. Must have played at least 50% of the dates.
3. Must have contributed in some way to the AAWGA (here's where the spirit part comes in!).
4. Must not have won either the gross or net award for the year.

* * *

SCORING RECORDS

Current official computer handicap indexes must be maintained by 18-hole members of the Association. You are responsible for maintaining the integrity of your individual index. Proof of current indexes may be requested by the 18-Hole Chair.

Fair handicapping depends upon full, accurate information of a player's ability as reflected by her scores. Every golfer interested in fair play should ensure that all her scores, good & bad, are used. Incomplete records lead to unfair handicaps.

Discrepancies in handicaps may be reported to the Executive Board by the 18-Hole Chair. Continued problems may lead to a player's suspension from membership.

* * *

MASTER RECORDS

Master spreadsheets, one for gross score & one for net score, are kept during the season & used to determine end-of-season awards. They are updated after each play date & available for members to review in the website's Member's Only section. Players should review these periodically for accuracy. If an error is found, please notify the 18-Hole Chair.

IN MEMORIAM

Martha MacIntosh
1937 – 2022

Martha was a longtime AAWGA member. In recent years, she served as a dedicated assistant with our special tournaments. Her friendship, enthusiasm & passion for our game will truly be missed.

NOTES

It seems you can hit a 2 acre fairway
10% of the time & a 2 inch branch
90% of the time ...
